

# ABLE4WORK

Project number: 2020-1-ES01-KA226-VET096058

Project Duration: 01.03.2021 – 31.08.2022

## 1. About the project

The main objective of the project is to improve the implementation of the insertion itineraries in which young people participate, who are often from demographic groups with some situation of social vulnerability such as youth from disadvantaged backgrounds, newly arrived immigrants with difficulties for cultural and linguistic adaptation, ethnic minorities, youth with economic difficulties, and other problems that may lead to social exclusion.

## 2. Overall Objective

As a response to the shortcomings of the current youth programmes, the looming increase of youth unemployment, the connected social exclusion of the most vulnerable young people and the need for more innovative digital practices in youth services, the project partners will develop a digital App that will facilitate the support work of youth workers and improve the impact and success of the youth support programmes.

## 3.Target Groups

- **Target Group A:** youth workers who work as mentors/trainers with disadvantaged youths and NEETs, performing socio-labour integration programmes such as the Youth Guarantee. Scheme or Youth Employment Initiatives and offer support, advice, guidance and training for vulnerable youth
- **Target Group B:** youth between 18-35 years that are unemployed or NEETs, and are in some situation of social vulnerability such as: youth with difficult social backgrounds, young women and mothers, newly arrived immigrants with low cultural and linguistic adaptation, ethnic minorities, etc.

NEET is the name of a social group that includes young people who are not in employment or education.

## 4. Specific objectives

**The Able4work toolkit App will:**

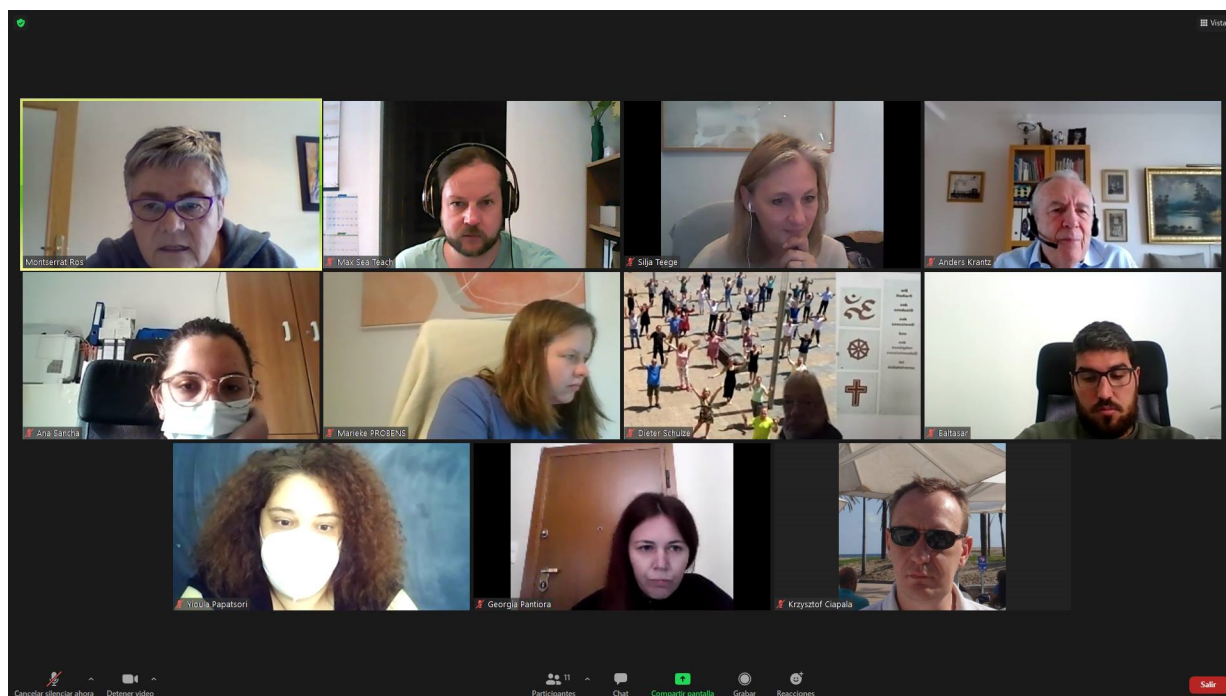

- combine career guidance and advice with digital gaming aspects
- support the job search process that young people perform with the mentors in their individual process of job guidance
- enforce that the youths themselves are the protagonists of their own job search process thus promoting the value of responsibility
- promote the routine of active job search and internalisation of knowledge worked during individual sessions

## 5. Kick off meeting

The able4work team successfully kicked off the project on April 26th! 6 partners from 5 different countries agreed on the first implementations to see the able4work app come to life.

Co-funded by the  
Erasmus+ Programme  
of the European Union
